

# Raise a Racquet Against Breast Cancer

## The Sisko Foundation

We have a program at Raise a Racquet Against Breast Cancer, we call Racquet Ribbons. Breast Cancer is a disease that has touched just about everybody you know in life, one way or another. The Sisko Foundation is trying to put this terrible disease out of business. With the help of dedicated people like you, we can raise a significant amount of money to go straight to research right here in North Carolina.

The Racquet Ribbon campaign will be eight weeks long beginning in September and ending on October 31st, 2005. We could certainly work with you to coordinate a time frame that works for your company's schedule. The program is very easy. All you have to do is sell the pink paper racquet ribbons for \$1.00 each for a donation to the Sisko Foundation. The customer signs his/her name on the ribbon and you display them on doors, windows or walls. You can even suspend them from your ceiling.

To participate we need to know how many locations you have and how many ribbons you would like to order. We will have packages in increments of 300. Please fill out the attached form and return it to our office. Orders can be filled quickly and all orders are FREE, at NO COST to you.

Please keep track of all of the money raised through the ribbon sales, and convert it to a check payable to The Sisko Foundation. This is a 100% tax-deductible donation. Donations should be mailed weekly or at the end of the campaign. Your friendly Racquet Ribbon District Director will report your progress to the Sisko office throughout the campaign.

We hope that you will enjoy knowing that you can make a difference. It could be that \$1.00 ribbon that stops this devastating disease.

Should you have any questions or need more ribbons, do not hesitate to call me. I may be reached at 919-844-0530 or cell phone 919-906-6659.

Sincerely,  
Rob Bucklin  
Secretary to the Board – Sisko Foundation
